**Tax Planning for Family and Owner-Managed Companies** is an invaluable source of money-saving guidance for anyone who advises or runs a family or owner-managed company. It examines a wide variety of tax planning matters from the viewpoint of the company, its working and non-working shareholders, and its employees.

This fully updated new edition of **Tax Planning for Family and Owner-Managed Companies** contains effective strategies for dealing with particular problems and opportunities for family and owner-managed companies, including:

- Extracting funds
- Dealing with remuneration, benefits and expenses
- Succession planning and passing on the company
- Selling and winding up the company
- Reorganising shares and trading activities
- Company reorganisations and share buy-backs
- Dividend strategies
- Employee share schemes
- Pension scheme strategies

The 2010/11 edition of this essential book contains the very latest tax planning strategies and demonstrates how to keep tax liabilities to a minimum. It is fully updated with all the 2010 Finance Acts, the new Corporation Tax Act 2010, and also deals with the impact of the post-22 June 2010 CGT changes for owner managers.

Worked examples illustrate complex points throughout, and each chapter concludes with useful checklists of planning points referring to the tax position of different parties.
